Your hotel shows availability, so why can't I use my Groupon?

Your requested dates may include one of the **blackout dates** listed in The Fine Print on the Groupon, and/or we have reached our **maximum limit** for Groupon reservations for the dates requested.

What is included with the Dining Vouchers?

However, if you wish to receive the resort fee amenities including high speed internet access for unlimited devices, daily access to the fitness center, food and beverage discount vouchers, etc., then the resort fees of \$37 + tax per day may be purchased upon check-in.

Are there any extra fees not included in the Groupon?

Yes, **taxes (and box office fees for show package) are not included** in the Groupon purchase price (ranging from \$22.61 to \$47.83 depending on the package and arrival date) that must be paid as a deposit to confirm reservations. Also, there is an **additional occupancy fee** of \$30.00 + tax, per person, per night, for each third and fourth person (regardless of age) sharing the same room.

Can I get more than 1 package?

Can I book a room for only 1 night?

Can I use the Groupon if I already have a reservation?

No, the Groupon **may not be used for previously confirmed reservations**. If you previously booked a refundable reservation with the hotel directly, you may cancel up to 72 hours prior to arrival without penalty, and book a new reservation.
