Failure to abide by this rule will result in disqualification from the tournament.

CONTEST FORMAT

The two-day contest will consist of a combined total of thirty (30) mythical tournament wagers. Tournament wagers are NOT for cash. Winning wagers will be awarded points.
- All of the 30 races are players' choice in the tournament format.
- If a race is canceled for any reason, the contestant must void the contest ticket at a live tellers' station and make a selection for another race. If this occurs in the last race on any day, the contestant will only have fourteen (14) selections or fewer for that tournament day. It is the participant's responsibility to be aware of any changes.
- Participants wagering on more than fifteen (15) races on either tournament day will be automatically disqualified from the tournament.
- All WIN/PLACE mythical wagers must be made on a single horse in a given race (WIN/PLACE wagers may not be designated for different horses within one race). Participants may only wager on one horse in each race.

- Participants must present their TI Players Club card when making all-tournament selections.
